Computer Science Students Score Web Design Wins!

Wayne, NJ – FOR IMMEDIATE RELEASE – Congratulations to Passaic County Technical Institute's (PCTI) Computer Science students on their spectacular performance at the 2014 Web Design Competition! Over 50 high school teams from across the state were in attendance to compete at this exciting event.

Due to their talent and hard work, PCTI swept the Real-Time Rapid Web Design Category with junior teams capturing the top two spots— both silver and gold! PCTI's senior team also won second place in the Web Information System Design Category.

The Web Design Competition featured the creation of high quality, well-designed, original websites and challenged students to create and improve websites according to established design guidelines. The competition was sponsored by the Information Systems Department at the New Jersey Institute of Technology College of Computing Sciences and took place in Newark on Wednesday, March 19th.

Congratulations to all on a job well done!
