# PCTI Pays Reverence to Fallen Soldiers

**Wayne, NJ – FOR IMMEDIATE RELEASE** – Passaic County Technical Institute (PCTI) once again opened its doors to welcome Veterans for the annual Memorial Day Ceremony. It began with a video of PCTI students speaking about the importance of this historical day, of sincerest thanks to those who served our country and lost their lives for the sake of freedom. PCTI's NJROTC presented the colors and performed the Flag Ceremony for all in attendance. AP History students read letters of fallen soldiers, which evoked the tragic loss of a life ended far too early. Advertising Art & Design students then presented veterans with patriotic hand-drawn artwork as tokens of gratitude for their service.

Those in attendance took the opportunity to reflect on our nation's past, and more importantly, to honor those who served on our behalf, ensuring a better future for the citizens of the United States of America.
