## PCTI Grant Takes Students to Broadway!

**Wayne, NJ – FOR IMMEDIATE RELEASE** – The Performing Arts Dance students of Passaic County Technical Institute (PCTI) received a rare educational treat when they traveled to NYC in order to see the theatrically acclaimed “Newsies” on Broadway. The trip was made possible by the generosity of PCTI’s Education Foundation, an organization famous for providing mini-grants to PCTI teachers (and scholarships to PCTI students) in order to enhance the quality of education students receive.

The excursion allowed all fifty members of the dance program to attend the highly anticipated musical on Wednesday December 19<sup>th</sup>. Students were exposed to an extraordinary level of dancing and choreography throughout the show, giving them a firsthand look at the dedication and hard work required in the musical theatre profession. The trip afforded students an invaluable learning experience that would not have been possible without the generous contribution of PCTI’s Education Foundation
