## Agency Networking Initiative Expands Criminal Justice Learning

**Wayne, NJ – FOR IMMEDIATE RELEASE** – Students of Passaic County Technical Institute’s (PCTI) Academy of Criminal Justice & Public Safety embraced learning outside of the classroom when they journeyed to the Public Safety Academy to meet with members from the Wayne Fire Department (Company #7), the Passaic County Sheriff’s Department, and Wayne Ambulance for their annual Agency Networking Initiative.

The event highlighted up close and personal exchanges in order to teach students the importance of cross-communication between agencies in emergency situations. The focus was collaborative, engaging, and proved to be an eye-opening educational experience for all.
